AQUA - unisex model

Decorative figures and bright, shiny colours form the main attraction for young children. The bell is shaped as a dolphin and the rear tray is ideal to transport toys around. The steering wheel (different steerings available) is adjustable in height and angle to make this tricycle a perfect fit to the needs of your child.

- Handbrake with parking lock.
- Saddle adjustable in height.
- Lowered frame for easy mounting/dismounting.
- Fixed pinion for continuous movement (forward or backwards).
- Different options available.

Range of options available.

									
total length	total width	saddle height	height saddle-pedal	step-in height	height steering	wheel size	total weight	kg	users weight
1110	648	500-640	390-520	118	726-838	12" x 2.00	14	kg	40
